

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF GEORGIA  
SAVANNAH DIVISION

ALBERT LUTHER JEFFCOAT,

Petitioner,

v. 4:12-cv-176

WARDEN DENNIS BROWN,

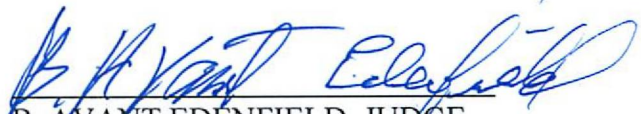

Respondent.

**ORDER**

Albert Luther Jeffcoat petitions the Court for relief pursuant to 28 U.S.C. § 2254. ECF Nos. 1; 18. Jeffcoat raises dozens of grounds for error in his initial petition and his attorney more succinctly packages the issues in an amended petition. *Id.* The Magistrate Judge has extensively considered the claims in a thirty-six page Report & Recommendation ("R&R"). ECF No. 32. Jeffcoat did not object.

The Court reviewed the record *de novo* and concurs with the R&R. The Magistrate Judge has properly applied the standard of review under § 2254. *See White v. Woodall*, \_\_\_ S. Ct. \_\_\_, No. 12-794, slip op. at 3, 11-12 (Apr. 23, 2014) (discussing deference to the judgment of the State court). Accordingly, the R&R of the Magistrate Judge is adopted as the opinion of the Court. The petition pursuant to 28 U.S.C. § 2254 is ***DENIED***. The Court also *sua sponte DENIES* a Certificate of Appealability and *in forma pauperis* status on appeal. *See* ECF No. 32 at 36.

This 30 day of April 2014.
